

Lifting Equipment Engineers New Zealand

Online Code of Practice User Subscription Form

The LEENZ Code of Practice (COP) is accessible electronically via the LEENZ website. Subscriptions are per user, for 12 months billed 1st June – 31st May (Prorated by month for part year access). To arrange for access upon COP revision release, please complete and return this form.

Online Code of Practice:	Member Subscription – 1-5 users	\$ 50.00 each
	Member Subscription – 6-10 users	\$ 40.00 each
	Member Subscription – 11-30 users	\$ 30.00 each
	Member Subscription – 31+ users	\$ 20.00 each
	Non-Member Subscription – per user	\$100.00 each

This code is a valuable resource document for people involved with manufacturing, testing, selling, lifting and maintenance of lifting equipment. The Code of Practice is a controlled document and any revisions to legislation, standards or codes of practice that influence the content will be announced via the LEENZ website and updated at the earliest opportunity.
